

## GOOLWA BSB DEGUSTATION WRAP-UP

A great experience was had by about 130 members and guests at the Goolwa Beef Steak and Burgundy Club Degustation, held annually. This year it was held at the idyllically located Fleurieu Function Centre on Barrage Road.

This is an excellent format for introducing a number of alternative varieties and styles alongside a special complementary menu, and elaborated upon by the viticulturalists and winemakers present on the day.

There was a great crowd there making it a very enjoyable afternoon with good organisation and superb hospitality shown by the Goolwa BSB and the kitchen.

Pictured here are Committee Members Peter Ferraro (Caffe De Carlo), Joel Cousins (Bombora Bach Cafe), Lyndon Bartlett (Club President), and on the right Tim Mortimer (Black Stump Wines).

This was a great crowd and made for some really enjoyable company. It would be great to stay in touch and there is always something interesting going on; an upcoming event, a new wine release, or something about winemaking by either a written or video blog.

For the Black Stump Hospitality Team many thanks to Sonia for helping out with service. The first wine put on for entree was the Nebbiolo 2011 with a really spicy butter chicken curry which it handled easily.

The intriguing Wine #9 made by the House Method always makes a substantive impression and was perfectly matched with lamb. And for dessert finishing off with a kicker in Lemon Fresco over a lemon curd tartlet.

Remember there are some special offers involving Wine #9 and Lemon Fresco at the moment and you can learn more about them in the online store. A few bottles of this Nebbiolo, a famously long-lasting variety from northern Italy, selected for the cellar will produce dividends for many years ahead.

# GOOLWA

The Corio Hotel have been stocking the 2014 Shiraz for about a year or so now. The McLaren Vale vineyard is around the foothills of the Adelaide Ranges with a splash of Currency Creek Cabernet for a lift. This is drinking very well now after a few years in bottle and is good value at \$18.50. It's great with pizza, pasta, tomato dishes or as a BYO option.

## House Method Wine #2

This is one of the original Black Stump Wines made by the House Method and bottled in 1992, only 52 Dozen. It is a Cabernet blend from McLaren Vale and nearby regions including the Adelaide Hills. After about ten years a wax seal was applied to assist in preservation, which has worked very well indeed.

Maintained bottles are slowly being rolled out. Maintenance involves opening, checking, re-topping and a new Diam cork. It's time consuming so only a few bottles can be done at a time. These selected bottles were already in great condition and maintenance just sets them up for more years of graceful aging.
